Bob Mabry, owner of Handyman Matters in North Houston, says “We pride ourselves in taking care of customers and giving them qualified and trustworthy craftsmen to work with on their home repairs and improvements.”

Handyman Matters has been serving the North Houston area for 6 years and are continuing to take care of customers each day. Bob Mabry, owner of Handyman Matters in North Houston, says “We pride ourselves in taking care of customers and giving them qualified and trustworthy craftsmen to work with on their home repairs and improvements.” Handyman Matters has been apart of the Better Business Bureau since 2005, is an active member in their community, is WEDI Certified (since 2009) and won an award for Best Geo Page at the 2009 National Franchise Convention held in Jacksonville, FL.

The Best Geo Page Award was given to the top five franchisees who regularly updated their geo pages. Their pages were recognized for their relevant content, creative input, quality photos and a variety of incoming and links. When viewing geo pages customers can get a better feel for how their local offices operate and see the types of tasks they regularly perform. Bob Mabry, owner of Handyman Matters in North Houston, received this award as a result of heir hard work and dedication to their customers.

Handyman Matters in North Houston is WEDI Certified and a preferred installer for all of their products. WEDI creates building boards used mainly in bathroom architecture and fashioning wellness worlds, personalized dream showers with steam oases, tile-ready bathroom fixtures, and room dividers and many other applications. For just over a year now Handyman Matters in North Houston has been installing these products and helping homeowners throughout their community. “I enjoy using the WEDI products because I know that my customers are getting the best product out there when it comes to building boards,” says Mabry.

#### About Handyman Matters

Lakewood, Colorado-based Handyman Matters is a nationally recognized franchise concept that serves the repair, restoration and maintenance needs of both residential and business customers. Handyman Matters specializes in small- to medium-size jobs covering a wide range of "around-the-house" handyman tasks, repairs, installations and maintenance found on everyone's to-do lists. Handyman Matters has taken the traditional handyman business and created a tech-savvy handyman service that offers one-stop shopping for both consumers and businesses while providing a pricing model in which customers only pay for the time spent on their project. Handyman Matters has 120 franchisees in the U.S., Canada and Ireland. Eleven franchisees were added in 2009 and Handyman Matters expects to reach 200 franchises by the end of 2011.
